## Comment Text

## Response Date

- |   | Comment Text   | Response Date         |
|---|--|-----------------------|
|  Find   | 1. I'd like to say thank's to everybody who works for SwiNOG and do several tasks organizing this interesting event.   | Tue, 5/20/08 9:02 AM  |
|  Find   | 2. Menu Canneloni was too small for 35.- without second serve for them who wanted. Swinog 16 good variation of topics.   | Fri, 5/16/08 12:19 PM |
|  Find   | 3. hi, this is [REDACTED] it will be great to have the feedback about my presentation. and thanks guys, it was a very useful day for me.   | Fri, 5/16/08 11:29 AM |
|  Find   | 4. SwiNOG registration should be free and split from lunch: I attended all the presentations but I could not stay for lunch for various reasons. It is OK if people pay for their lunch: sponsoring lunch would just make it more difficult to find a sponsor. | Fri, 5/16/08 11:17 AM |
|  Find   | 5. Great event after all. Thank you [REDACTED]   | Fri, 5/16/08 9:54 AM  |
|  Find   | 6. Hoi Fredy ich finde die kurze Umfrage eine gute Idee. Postest du danach die Resultate oder gibt es eine kurze Präsi beim Swinog17? Gruss [REDACTED]   | Fri, 5/16/08 9:45 AM  |
|  Find | 7. Please tell the presenters to speak more clearly and louder. Like Arnold ;-) Some spoke with theit beard...   | Fri, 5/16/08 8:16 AM  |
|  Find | 8. I would like to see the agenda online when registration opens. I don't like to register when i don't know the topics and if the agenda is online the registration is full :-)   | Fri, 5/16/08 8:16 AM  |
|  Find | 9. I think it's already difficult to get good presentatations. It's not needed to limit the themes as long it's related to provider business.  | Fri, 5/16/08 8:12 AM  |
|  Find | 10. Das Essen wäre Okay gewesen wie auch der Preis von 35 CHF wenn der Teller nicht so leer gewesen wäre. Ich fänd die 35 CHF zuviel für da wo auf meinem Teller war und mit welcher Motivation man dort bedient worden war von den Leuten.                    | Fri, 5/16/08 4:43 AM  |
