- Open for questions

SwiNOG-11, Bern, CH, 20051020

RIPE 51 In Short

- Amsterdam, 10 - 14 October 2005
- New format (since RIPE 50)
 - Most presentations in plenary
 - Working group (WG) sessions more focussed
 - Fewer parallel WG sessions
- About 350 attendees
- All presentations (86!) online

SwiNOG-11, Bern, CH, 20051020

RIPE 51 Selected Presentations

From the Registration Services

- Formal policy development process (PDP)
- RS numbers update
- NRO statistics update (if there's time)

SwiNOG-11, Bern, CH, 20051020

RIPE 51 Hot Topics

From the RIPE NCC

- PDP (mentioned earlier)
- DNSSEC deployment started
- IRIS prototype
- E-Learning coming soon
- And more...

SwiNOG-11, Bern, CH, 20051020

SwiNOG-11, Bern, CH, 20051020

Question Time

Special requests first

- Tool update
 - LIR Portal
 - Clarified request forms
 - RIPE WHOIS database new objects (organisation, route6, etc)
- PI ranges smaller than /24
- Reclaiming space
- Routing deaggregation
- Any more questions?

SwiNOG-11, Bern, CH, 20051020

Thank you !

Enjoy your lunch :-)
