Where are we heading to?

- Two meetings per Year
- Gurten is and will be the Home Base
- Next event in autumn this year in Zürich
- 2nd meeting every year - will (possibly) move around Switzerland
> local volunteers?

Where are we heading to?

- SwiNOG is at a stage where we should actively shape its next phase
- e.g. Local meetups – more frequent, smaller, more focused
- Open growing the core team to share the workload and bring in diverse perspectives, opinions and new ideas
- #1 Goal
- **We're on an exciting journey, always exploring new horizons for our community – for you!**
